

LAMDA (Communication & Performance Skills) at Feltonfleet Preparatory School

Dear Parent or Guardian,

After another brilliant school year, we are pleased to open up registration for LAMDA lessons for the autumn term.

LAMDA is a performing arts program where students have the chance to improve their skills in performance and communication. It offers a fun and creative environment to develop self-confidence and important life skills through a variety of different syllabuses such as acting, public speaking, and verse and prose. Students work on various skills over the course of the program such as voice technique, facial expressions, body language, and engaging an audience through their chosen pieces or self-written speeches, which culminates in an officially graded exam in front of an independent LAMDA examiner.

What is LAMDA?

LAMDA is a world-class drama school in London that offers exams resulting in qualifications in both Speech and Drama that are recognised worldwide through their Speech and Communications Board overseen by OFQUAL. Students can try their hand at Public Speaking, Acting, Verse and Prose, Reading for Performance, and many more communications-based exams.
