

ACTIVATE YOUR PARENT FIREFLY ACCOUNT

Firefly is our school online learning platform for pupils and parent communications. Your parent account offers access to up-to-date information about your child including their lesson timetable, attendance record, rewards and sanctions record and their school academic reports.

- Prep School parents may view the specific learning tasks set for Prep, alongside subject-based learning content designed to support pupil progress.
- Pre-Prep parents have access to curriculum overviews.

Firefly is an online platform accessible via a normal Internet browser using the URL:
<https://feltonfleet.fireflycloud.net/>

- 1 Click here and enter the email address that matches the one held by our school office as Firefly authenticates your account with our centrally held school database.
- 2 You will receive a verification email which invites you to select your own password. N.B. Please check your email spam filtered folders if you cannot locate the activation email.
- 3 Return to the Log in screen and enter your email and password credentials to log in.

NB. You may wish to download the Firefly for Parents app for your mobile device for :

- [Firefly for Parents \(Apple\)](#)
- [Firefly for Parents \(Android\)](#)

To activate the app once downloaded, the school code is simply: **FELTONFLEET**

Firefly offer a help centre designed specifically for parents which is located at:
<https://helpcentre.fireflylearning.com/parents>

Over time, your child will learn how to use Firefly at school, and information will be provided to parents regarding how to support this at that point in time.
