

Co-curricular club cancellation terms

1. Paid clubs run by external providers

(a) Direct sign up (paid termly in advance):

- The contract is between parents and the provider and that provider's terms and conditions apply.
- The School is not responsible for cancellations or refunds.
- Pupils may attend Prep if an after school session is cancelled.

(b) Sign up via SOCS (charged in arrears on school invoice):

- No charge will be made for sessions cancelled by the provider.
- No charge will be made where absence is due to a school commitment.
- Absence due to pupil illness or other personal reasons will be charged.

2. Free, internally run clubs:

- Where a club cannot run, we will endeavour to provide cover or merge clubs.
- If this is not possible for an after school club, pupils may attend Prep.

By enrolling a pupil in a club, parents confirm their commitment for the full term and accept liability for the full term's fees, where applicable.

Where a club needs to be cancelled, the school will notify parents as soon as practicable.
